TO WHOM THIS MAY CONCERN:

My name is Giridhar Narasapura Rajagopalaiah, and I am currently pursuing my master's degree at the University of Southern California in Computer Science. I will complete my degree in December 2023.

I have more than 6 years of experience in Image Processing and Computer Vision, and 4 years of experience in Machine Learning and Deep Learning. My specialties and Interests are:

- Computer Vision
- Machine Learning
- Deep Learning
- Deep Reinforcement Learning
- Medical Image Analysis
- GPU Computation

As you can see from my resume, I have work experience in Computer Vision and Deep Learning from Philips R&D where I worked as a Research Engineer, and at AIVolved Technologies where I worked as Chief Technology Office after co-founding it.

I am confident I can make an immediate contribution based on my prior experience along with strong interest in continued learning in the field of Artificial Intelligence. I am looking forward to hearing back about this opportunity.

Thank you for your time and Consideration.

Sincerely,

Giridhar Narasapura Rajagopalaiah
